

Sealants

The **Aftak** range of sealants and mastics provides a solution for all requirements for all domestic, commercial and industrial construction. They are formulated and produced for use by industry in many varied manufacturing processes.

PRODUCT DESCRIPTION	PRODUCT NAME	PACK SIZES
Roof & gutter neutral cure silicone	SILCON RG	300ML
Window & glass acetoxy cure silicone	SILCON WG	300ML
Kitchen & bathroom anti fungal acetoxy cure silicone	SILCON KB	300ML
Brick & concrete neutral cure low modulus silicone	SILCON BC	300ML
Kitchen & bathroom anti fungal neutral cure silicone	SILCON GP	300ML
High movement accommodation, neutral cure silicone for joints in caravans and relocatables.	SILCON CV	300ML
Preformed butyl based sealant strips	PRESSEAL	REELS
Acrylic based gap filler	GAP FILLER	300ML
High polymer, coloured acrylic mastic	COLOURCAULK	300ML
Oil based skinning mastic	EXPOMASTIC	300ML, 600ML
1 part elastomeric polyurethane sealant	URASEAL	300ML, 600ML
2 part elastomeric gun grade polysulphide sealant	THIOLOX M	4LT
2 part elastomeric pourable polysulphide sealant	THIOLOX MF	4LT
2 part elastomeric chemical resistant pourable polysulphide sealant	THIOLOX SL	4LT
2 part limited movement pourable epoxy sealant	EPISEAL	4LT
2 part limited movement cementitious latex pourable sealant	HYDROLOX A6	20LT + 20KG
Low odour non skinning bedding mastic for coolroom construction and other low temperature applications	PANEL MASTIC	300ML
Water based ductwork sealant	GALSEAL WB	300ML
